

# **HAPPY HOMETIME NEWS**

## **APRIL 2010**

Dear Parents and Carers

Welcome back after the Easter break. Hopefully everyone is now back home after their eventful holidays!

### **Staff News**

We are sorry to say goodbye to Gail Evans who has been a valued and respected member of our team for several years. Gail has spent much of her time working with our Junior children and has seen many of them through from their infant days. We wish her well for the future.

We have welcomed Karen Farr back after her operation. She has been missed, especially by our Infant children.

### **The Big Tidy Up**

We shall be organising this event week beginning Monday 3 May, all week. Our children will be equipped with bright green tabards, huge refuse bags and armed with litter pickers to help clean up our school grounds. This was very popular last time as our children are very aware of their environment and are keen to look after it.

### **Year 6 Residential Trip**

Please can parents of children attending this trip please let us know in good time in order that we can amend your fees accordingly.

### **Thank You**

We raised £23.40 for the victims of the Haiti earthquake as a result of our 'Hats for Haiti' day. The children really entered into the spirit and we had some inspired headwear that day! Thank you to all who donated money.

Thank you too for returning your booking forms so promptly. This helps us to complete our Registers and plan in advance for future numbers of children attending. Keep it up!

A final thank you to everyone who donated toys, books, and dressing up clothes last term. The children really do love them.

### **Reminders**

Children must not be dropped off BEFORE 7.45 a.m. You can wait with your children in the Club room/or outside if you arrive early but they must not be left with our staff.

Please can you always put the time next to your signature when signing your child out each afternoon. This is a legal requirement.

Thank you.

Meg Korzun  
Club Organiser.
